

# ALUMINIUM TK SERIES

## FEATURES

Wide range of profiles  
Multi-compartment

- Can be further subdivided with double clip-in pvc divider.
- For discreet installation, flush fitting profile available.
- 32mm and 42mm socket mounting boxes - accept most manufacturers wiring accessories, negating the need for an accessory plate.
- RAL Colour options - greater choice and flexibility.

TK Series Aluminium - profile TK165A at dado level.
