

CABLELINE ▶ AMBASSADOR

FEATURES

180 x 52mm Profiles

Three Compartments

Three Lids

- Screw-on corner fittings for added security
- Can be sub-divided
- Wood effect options
- DC3 curved profile for larger cabling capacity
- Accommodates 25mm and 35mm deep boxes for a wide range of accessories
- Accepts all leading wiring accessories including Clicline
- Carpet inlay allows for less intrusive installation
- Optional data cable guide enables cable to maintain a minimum bend radii

Standards: BS 4678-Pt4, BS7671 (IEE Regs), BS6701, BSEN 50173, BSEN 50174-2, (CENELEC), ANSI/TIA/EIA 586B, ISO IEC 11801.

Cableline Ambassador - profile DP3 at dado level, DS3 at skirting level. Inset - DS3 with inlaid carpet.

SELECTOR CHART Choose from 3 distinct profiles.
